

## Telescopic Spindle Extension T4

Square cap SQ27/32

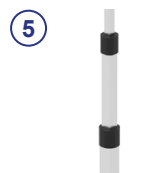

Centring cap

Tubes

Transport lock

PE-brake

Round bell

Coupling

Clip-pin

Bell adapter  
(optional)

## Telescopic Spindle Extension T4

| Valve<br>Spindle square   | CD*<br>Cover depth | Total length (L)**<br>Spindle extension | Article No. | Weight |
|---------------------------|--------------------|-----------------------------------------|-------------|--------|
| Gate valve DN40/50 SQ14   | 0.80 - 1.15 m      | 0.39 - 0.74 m                           | 21025       | 2.7 kg |
| Gate valve DN65/80 SQ17   | 0.85 - 1.20 m      |                                         | 21026       | 2.9 kg |
| Gate valve DN100-150 SQ19 | 0.90 - 1.25 m      |                                         | 21027       | 3.1 kg |
| Gate valve DN200 SQ24     | 0.90 - 1.25 m      |                                         | 22879       | 3.8 kg |
| Gate valve DN250-350 SQ27 | 1.01 - 1.36 m      |                                         | 22880       | 4.0 kg |
| Gate valve DN40/50 SQ14   | 0.95 - 1.85 m      | 0.67 - 1.54 m                           | 21198       | 5.3 kg |
| Gate valve DN65/80 SQ17   | 1.00 - 1.90 m      |                                         | 21199       | 5.6 kg |
| Gate valve DN100-150 SQ19 | 1.10 - 1.95 m      |                                         | 21200       | 5.9 kg |
| Gate valve DN200 SQ24     | 1.18 - 2.05 m      |                                         | 22877       | 5.9 kg |
| Gate valve DN250-350 SQ27 | 1.29 - 2.16 m      |                                         | 22878       | 6.1 kg |

\*Cover depth measurements depend on the height of the valve used, see p. 11.

\*\*Other lengths available upon request.
